The Attack on the broasides, As some curiosity is fult to know the details

"THE HOURS THAT SHINE."

On every beart some that's will fall, As the night must follow day, But light will come at Memory's sail, Or Hepe will bring its ray. To the assetting farm, from the persing and— From the storm, so the soming oil it; When weary, light of the "rest prepared".

Oh! It is not right to dwell on grief,
When we have so much of Joy—
And so off we read from the Holy Leaf.
That the heart should grains suppley.
Then "relates in the Lord," and ast from Him
A graveful and closeful heart,
Where love and affection shall no or grow that,
And His presence ne'er depart.

THE ORIGIN OF PRISONS. A Sajourn in a Lincoln Bastile,

BY THE WOODCHOPPER. A fall is defined to be a prison building, des iguabel by law or used by the sheriff for the

question. An archaeological friend, to whose researches we are indebted for much valuable information, while recently engaged in an explo ration of the cattacombs of Thebay, discovered in a granite surcoshagus a scroll of papyrus, which had apparently been mad as a bandage for the chronic sure log of the keeper of as Egyptisn coffee house. After repeated immorstons is a charmiest solution (the secret of its components he declined to give), he was enabled to unfold with success, and without the slightest isjury to the inscription, the entire scroll, from which it was assertained that the Coptic language (the vernacular of our historiau) was definient in the letter "I." Mr. Moise, then, having no "I's" could not, of course, see any other mode of spolling his name than by sub-

came Mosse, or Moses. Though the accept enthography was allebily lifferent from the modern, all savons concur in ne important particular, to-wit: that the prounciation was identical. It is estimated howard ray that the historian's grandmother. Miss Pha Rosa, while making preparations for the outerisliment of company at her pa's assusion, was scated in the kitchen frying flap-j-cha. and being so enfortunate as to soil her annie with not black, encoluded to stroll to the river side in make the necessary ablution. She acconfingly adjusted a sunbounst upon her head. and crossed over the side, when she was saluted by a half a dozen other young ladies just re turning from the public school, chausting the national anthem :-
